POSITIONS

- 2021 - **Purdue University**
Assistant Professor of Psychological Sciences
- 2018-21 **Harvard University**
NIH and NSF SBE Postdoctoral Fellow, *Mentor*: Daniel Schacter

EDUCATION

- 2018 **Duke University**
Ph.D. in Cognition & Cognitive Neuroscience
- 2015 **Duke University**
M.A. in Cognition & Cognitive Neuroscience
- 2012 **Davidson College**
B.S. in Psychology with Neuroscience Concentration
magna cum laude with departmental honors, Phi Beta Kappa

RESEARCH INTERESTS

I study memory and judgment across the lifespan, with a specific focus on cognitive “shortcuts” people use to evaluate truth. My research identifies ways that young and older adults come to believe things that are not true, from fake news to common superstitions.
